THIS KIDNEY MEDICINE MAKES FRIENDS EVERYWHERE

About four years ago I had a severe attack of kidney trouble and Gravel of the Bladder. I was afflicted this way for one year and had severe pains in my back and shooting pains in my bladder. I got so bad that I was not able to work for about two months; I could not rest at night; I would have to get up several times during the night to urinate, and at these times it caused me great pain. I read so much and heard so much of Dr. Kilmer's Swamp-Root I decided to try Swamp-Root; after taking several bottles I was restored to good health and I have not been troubled with my kidneys and bladder since. I cheerfully recommend Swamp-Root to others with kidney and bladder troubles.

Yours respectfully,
F. H. FLEMING,
865 E. 14th St., Pittsburg, Kansas.
Personally appeared before me this 25th day of May, 1915, F. H. Fleming, who subscribed to the above statement and made oath that the same is true in substance and in fact.
Joseph Keys, Justice of the Peace.
In and for the County of Crawford and State of Kansas.

About nine years ago the doctor had given me up, saying I had kidney trouble, enlargement of the liver and stomach trouble; that there was no medicine for me that he knew of that would help me. After taking Dr. Kilmer's Swamp-Root I bought one fifty-cent bottle which did me so much good I bought six one-dollar bottles. After taking this amount of Swamp-Root I was completely cured and have not consulted a physician since and am doing my own work every day. When I feel any of the old symptoms coming on I go back to my old friend Swamp-Root which immediately gives me relief.

Very truly yours,
MRS. J. J. WEHENTHALER,
Grand Island, Nebr.
Personally appeared before me this 25th day of October, 1915, Mrs. J. J. Weenthaler, who subscribed to the above statement and made oath that the same is true in substance and in fact.
THEO. P. BOEHM,
Notary Public.
